Name of Material: Pre-K Weather Graph

Assembly instructions: Assemble the two pages to make a weather graph, with the weather icons at the bottom. The graph page can be taped or glued on top of the page with the icons so that the boxes line up and it creates a continuous graph. You can color the icons if you like. Once assembled, laminate for everyday use with dry erase markers or stickers. Each classroom needs one weather graph.

Activities this material is used in (Introduced at TR__):

Weather Graphing (TR1)

Additional Information: Once one column is full, teachers will erase the entire graph and begin again.
