Play Planning Materials

Play Planning Management Wheels: Each classroom will need two wheels and a total of 24 clips. Copy the Wheels, color the dots according to your centers, and laminate.

Play Plan master: Each child will need one half sheet each day for the entire year. Copy on white paper and cut.

Center Signs for Play Centers Center : Cut out the center icons and glue each one onto a different colored piece of paper that corresponds with the color of the center.

Center Record Sheet: Copy master. Both the teacher and the assistant teacher will need one copy that will last for 2 weeks. There are 2 versions of this record list, one for the beginning of the year, and one for use after training 3.
