Name of Material: Pre-K Tools of the Mind Sound Map (Vowel)

Assembly/printing instructions: Print enough so that children have access to them whenever they are doing Scaffolded Writing.

Activities this material is used in (Introduced at TR__):

All Scaffolded Writing activities throughout the school year.

Additional Information: Many preschool children do not reach the stage of hearing vowels as they are writing. If you have questions about a specific child in your classroom and whether he/she needs the Vowel Sound Map, contact your Coach or Tools Trainer. These are included in your materials in case you have a child that may need this support.

Special note about the Tools of the Mind Sound Maps

Please do not share the Sound Map with anyone outside of the **Tools** project. This includes parents or other people who come to work in the classroom. If someone outside of the project sees it, please ask them not to copy or use it. There is a Parent Alphabet Chart elsewhere in the materials for you to send home with children.
The Sound Map is a research tool in development and should not be used by people outside of the project.
