Name of Material: Pre-K Buddy Reading materials

Assembly/printing instructions:
Lips and Ears--Print enough copies so that when you cut on the dotted line each pair of children has one lip card and one ear card. Laminate for continued use.
Tub labels—copy and cut apart. If you use these categories attach the picture to the front of the tub containing the buddy reading books matching that particular label.

Activities this material is used in (Introduced at TR__):
Buddy Reading (TR1)

Additional Information: Children will be handling these every day so most teachers print on heavy cardstock and laminate. These may need to be periodically replaced if they get too tattered.
The tub labels provided are suggestions only; some teachers have other labels for their Buddy Reading book tubs that they prefer to use. Also, it is likely that throughout the year teachers will need to add more tubs and labels.
