Name of Material: Pre-K Daily Schedule icons

Assembly/printing instructions: Cut out each individual icon and arrange according to your classroom daily schedule. Each classroom needs one copy.

Activities this material is used in (Introduced at TR__):

Entire school day

Additional Information: Some teachers find it useful to hang these in a pocket chart, attach them to a chart with Velcro or attach them to a magnetic board with magnets so individual icons can be re-arranged on special event days or turned over once an activity is completed. You may also need to make some of your own icons for the schedule that relate to specific events in your classroom/school.
