Name of Material: Pre-K Making Collections for TR3

Assembly/printing instructions: Print on cardstock and laminate for durability if you wish. Each page has two cards on it and should be cut apart to create two cards. Print enough copies so that each pair of children has 2-3 different cards.

Activities this material is used in (Introduced at TR__):

Making Collections (TR2)
Mystery Numeral (TR3)

Additional Information: For motivational purposes these Making Collections cards are related to the Tools Make Believe Play themes. They can be used during any theme and do not have to correlate to your current theme.
In this TR3 set of cards the arrangements on the cards are more difficult for children to 'see' (subitize) quickly and require strategies for counting how many objects are on each card. There is also a card for 'zero' in this set.
