Name of Material: Pre-K Pattern Strips

Assembly/printing instructions: Print on cardstock and laminate for durability. Each page has two patterns on it and should be cut apart to create two strips of patterns. Print enough copies so that each pair of children has 2-3 different pattern strips (for Patterns with Manipulatives).

Activities this material is used in (Introduced at TR__):

Pattern Movement (TR2)
Patterns with Manipulatives (TR3)

Additional Information: These basic shape patterns are just enough to get classrooms started, many teachers make additional patterns using clip art, colored geometric shapes, stickers, etc.
